OPPORTUNITY WITH QCD.

A Qualified Charitable Distribution is a perfect opportunity to make a lasting impact. When planning your IRA withdrawal strategy, you may want to consider making charitable donations through a QCD.

By making a **direct transfer of funds** from your IRA to a qualified charity, your QCD can be counted toward your required minimum distribution for the year.

If you are over 70½, you are eligible to make a qualified charitable donation of up to \$100,000 to the 501(c)(3) Opportunity 34 Foundation — and we'll match your donation up to \$3,400. *Learn more at Opportunity34.org.*

Ask your financial advisor, accountant or attorney about how your QCD can make a lasting impact in your community.
